## THE BEGINNING

AGRICULTURE HAS COME A LONG WAY SINCE OUR DAYS OF LONG AGO

The Agralarm Team lives and breathes livestock farming and agriculture! From our humble beginnings in 1989 on Maryland's Eastern Shore, Agralarm has grown to serve thousands of farms from Maryland to the US Southwest and Midwest. Since our first days in business, Agralarm continues to be committed to continuous perfection of agricultural alarms for the benefit of the Farmer, the Integrator and the Consumer.
